Coast Guard Innovation Expo

The Coast Guard continues to redefine and improve business processes with an infusion of innovation and technology. See and discuss emerging innovations from the Coast Guard, industry, and other government agencies that will enhance the Coast Guard's ability to continue to excel in meeting Homeland Security, Search & Rescue, Law Enforcement, Environmental Protection, and other mission requirements. This event will be held at the Santa Clara Convention Center in Santa Clara, California from May 2nd thru the 6th. For more information about this event please see the National Defense Industrial Association's website at <http://www.ndia.org>.

This bulletin is for information purposes only and there is no expectation for the Northern California Maritime Community to attend.

Sincerely,
