

WATERWAY CLOSURE

Marine construction activity on the new I-680 Benicia-Martinez Bridge will require the closure of a section of Bulls Head Channel to all vessel traffic from 0900 to 1700 hrs on February 8th and 9th, 2006. During those periods, the Coast Guard will enforce a safety zone measuring 100 yards to the east and west of the I-680 Benicia-Martinez Bridge along Bulls Head Channel only. No vessels shall be permitted to transit through the safety zone without permission of the Captain of the Port San Francisco Bay or his designated representative. The Captain of the Port's representative on the water can be reached via VHF FM Channel 21; Coast Guard Vessel Traffic Service can be reached via VHF FM Channel 14 or telephone (415) 556-2760.
