## Fees for Services

### Membership

Membership allows participation in the full range of Marine Exchange services. It includes highlighted listings, free copies and advertising discounts in the **Golden Gate Ports Handbook**.

Corporate: \$350.00 a year    Individual: \$175.00 a year

### Marine Information

Covers a variety of information and communications services. Includes the ability to call on a regular basis for shipping information and vessel position reports, and receive notifications regarding vessels and their movements.

Starting at \$75.00 a month

### Vessel Reporting

Provides the vessel operator 24 hour support services for vessel, office staff, agents, crew, government agencies and longshoremen by providing scheduling updates, security and safety alerts to ensure timely services are provided during vessel's port stay.

\$125 per vessel arrival

\$ 25 per intra-port movement

### Telephone Answering Service

The answering service is designed exclusively for members of the marine transportation industry. Subscribers can customize coverage according to their needs.

Starting at \$125.00 a month

### Port Logistics/Tug Support Services

Packages tailored to the specific operational needs of vessel operators. Includes combinations of information and communications services. Special attention is given to rapid transmission of the latest changes in information.

\$350 a month

### Special Services, including website development and maintenance

Services and products can be developed and/or combined to address specific requirements.

Negotiated Fee
