G. Navigational expertise is required for appointees for the above categories of (2), (3), (4), (5), (6), and (7). An individual is considered to have navigational expertise if the individual meets any of the following conditions (circle all that apply):

1. Has held or is presently holding a Coast Guard Merchant Marine Deck Officer's license.
2. Has held or is presently holding a position on a commercial vessel that includes navigational responsibilities.
3. Has held or is presently holding a shore side position with direct operational control of vessels.
4. Has held or is currently holding a position having responsibilities for permitting or approving the docking of vessels in and around harbor facilities.

If you have circled #1 above, please provide a copy of your license.
