

**U.S. DEPARTMENT OF
HOMELAND SECURITY**

United States Coast Guard

SECTOR SAN FRANCISCO

**NORTHERN CALIFORNIA
AREA MARITIME SECURITY COMMITTEE
WORK GROUP CHARTER**

PROJECT TITLE: **Essential Elements of Information “Work Group”**

PROJECT GOAL: Utilize obtained EEI data to populate the USCG’s Common Assessment and Reporting Tool (CART) electronic database.
(Note: Ref. the Marine Transportation Recovery Plan, sec. 6000)

PROJECT TITLE: **Marine Fire-Fighter Work Group**

PROJECT GOAL: The work group will focus addressing current marine firefighting personnel / resource capabilities and address future logistical assets to provide sufficient response resources to protect and/or mitigate fire threats aboard vessels and port infrastructures.

PROJECT TITLE: **Marine Salvor’s Work Group**

PROJECT GOAL: The work group will focus addressing current marine salvor personnel / resource capabilities and address future logistical assets to provide sufficient response resources needed to engage in marine salvage operations of significance as listed in U.S. Coast Guard – Sector San Francisco’s Marine Salvage Response Plan.
