Fees for Services – Effective January 2020

Membership

Membership allows participation in the full range of Marine Exchange services. It includes highlighted listings, free copies and advertising discounts in the **Golden Gate Ports Handbook**.

Corporate: \$417.00 per year / Individual: \$209.00 per year

For information about purchasing the **Golden Gate Ports Handbook** or our other publications, please visit our website at www.sfmex.org

Marine Information

Covers a variety of information and communications services. Includes the ability to call on a regular basis for shipping information and vessel position reports, and receive notifications regarding vessels and their movements.

Between \$93.00 - \$197.00 per month based on volume of activity

Vessel Reporting

Provides the vessel operator 24 hour support services for vessel, office staff, agents, crew, government agencies and longshoremen by providing scheduling updates, security and safety alerts to ensure timely services are provided during vessel's port stay.

\$162.00 per vessel arrival
\$ 45.00 per intra-port movement

Telephone Answering Service

The answering service is designed exclusively for members of the marine transportation industry. Subscribers can customize coverage according to their needs. Premium Service is for companies that utilize the answering service more often (i.e. higher call volume, message distribution, etc.)

Basic Service: \$180.00 per month / Premium Service: \$290 per month

Port Logistics / Tug Support Services

Packages tailored to the specific operational needs of vessel operators. Includes combinations of information and communications services. Special attention is given to rapid transmission of the latest changes in information.

\$417.00 per month

Bollard Pull Test for Escort Tugs: \$900.00

Special Services

Services and products can be developed and/or combined to address specific requirements.

Cellular Communication Services (management of cellphones and billing.) - Negotiated Fee
