

In response to COVID-19, FEMA is granting additional time to submit applications for five preparedness grant programs until April 30 (this is in addition to previously announced extensions for the Homeland Security Grant Program and Nonprofit Security Grant Program). These applications are for the following Fiscal Year 2020 preparedness grant programs:

- Tribal Homeland Security Grant Program (THSGP)
- Transit Security Grant Program (TSGP)
- Intercity Bus Security Grant Program (IBSGP)
- Intercity Passenger Rail (IPR) program
- Port Security Grant Program (PSGP)

Applications **must** be received by the **April 30, 2020** deadline. The Non-Disaster (ND) Grants System has a date stamp that indicates when an application is submitted. Applicants will receive an electronic message confirming receipt of the full application.

DHS/FEMA will not review applications that are received after the deadline or consider them for funding. Consistent with the applicable Notice of Funding Opportunity (NOFO), DHS/FEMA may, however, extend the application deadline on request for an applicant who can demonstrate that good cause exists to justify extending the deadline. Good cause for an extension may include technical problems outside of the applicant’s control that prevent submission of the application by the deadline, or other exigent or emergency circumstances.

Additional questions may be directed to a FEMA Headquarters Preparedness Officer (PO) or the Centralized Scheduling and Information Desk (CSID) at askcsid@fema.dhs.gov or (800) 368-6498, Monday through Friday, 9 a.m. – 5 p.m. ET.
